TEMPIO V1 LOW TABLE

\$18,160

DESCRIPTION

Tempio V1 is a 21st Century sculptural table made by Italian artisans in aluminum and Ashwood. The piece is manufactured in a limited edition of 150 signed and progressively numbered examples. It is part of the collectible design language Tempio that has been developed by Edizione Limitata's art research team in Milan. The metal surface manufactured in our foundry stands on the solid hardwood base, like a sacred totem.
