Serena Luxury Mosaic

TEMPO TABLE LAMP

\$6,600

DESCRIPTION

Part of the Light Collection, this superb lamp evokes the importance of time with its unique hourglass shape. Handcrafted of Murano mouth-blown glass, it features a cone of colored gold mosaic with blue detail surmounted by an inverted cone of Murano crystal glass and "sommerso" gold that form the hourglass shape. This sophisticated lamp is completed by a fabric lampshade in an intense blue color and a structure of 24 kt gold-plated stainless steel adding a timeless allure to this unique object that will find a perfect placement in contemporary decor.
