TENNIS CUSHION #1

\$165

DESCRIPTION

This exclusive double-sided cushion of the Have Fun Collection is lined in cotton and padded with non-deformable synthetic fiber. Its "winter" side, upholstered with soft pink corduroy velvet, corresponds to a "summer" side covered with fresh white vintage linen from a prized 20th-century trousseau. Delicate embroidery in black and pink tones with wool fabric details depicts a female tennis player in a dynamic pose. The piece comes with a handwritten identity card and features removable upholstery and a concealed zipper. This product is a unique-piece. Please contact the Concierge for customization inquiries.
