### TENORE SET OF RED PLATES FOR 1

\$115

#### DESCRIPTION

Iconic and playful, the decoration of this handcrafted set of three plates depicts a horn-shaped pendant (called o'curniciello in Neapolitan, hence the name of this collection), a red coral amulet that brings good luck. The flash of red is combined with a series of blue dots that mark the round edges of the pieces (one dinner plate, one soup plate, and one dessert plate). Each piece is a one-of-a-kind, since every step in its complex crafting is done by hand. This set can be combined with others in different colors for a striking effect.
