TEODORA SIDE TABLE

\$1,240

DESCRIPTION

This unique side table bares an unconventional C shape perfectly suited for a modern setting. Positioned in between the top and bottom elements is a striking geometrical detail in metal adorned with gold leaf. The handmade wooden piece with a matte black lacquered finish can make a statement when positioned at any angle. When paired with another identical one, this piece can punctuate both ends of a bed or sofa and can be used to hold small personal items or books while simultaneously enhancing the decor of any room.
