TERESINA LARGE VASE

\$250

DESCRIPTION

Ideally displayed alongside its sibling vases Gennarino and Luchino for a playful "family reunion", this vase belongs to the "The Pois Brothers" Collection. The series is developed in collaboration with Fratelli Coli artisan pottery and features beige-glazed ceramic items depicting three siblings dressed in polka-dot clothing that are decal reproductions of designer Marras's original drawings. This dishwasher- and food-safe vase delightfully marries art and craftsmanship.
