TERME OUTDOOR WALL LANTERN

\$1,320

DESCRIPTION

This simple wall lantern topped with an ornate domed decoration will be an eye-catching accent to add on a front porch or in multiples to illuminate an outdoor dinner on a terrace. The iron frame was treated with zinc and varnished with powder to make it suitable for outdoor use, while the light from the LD E27 bulb is screened with glass panels. Combining various designs of Officina Ciani wall lanterns in different colors and shapes on the same wall will create a striking, eclectic effect.
