LIGHTING : PENDANTS

*Antonio Ciulli e Figlio*

**TERMIA LANTERN**

\$3,600

## DESCRIPTION

This exquisite lantern is made in bronze with a sophisticated French gold finish. Its simple lines designing a conic shape are covered in transparent glass and the bronze structure is artfully enriched by engravings throughout. A precious addition to any decor, this classic lamp features three lights, whose electrical components will be in compliance with the standard of the country this piece is destined to.
