**TERRA BISACCIA CUBE**

\$1,585

## DESCRIPTION

Function meets design in this whimsical piece that offers a stylish surface adding an eye-catching accent to any room of the house. This cube is part of the Terra series of eclectic and versatile pieces designed by Ineloveritas and has a wood construction with a printed black-and-white pattern inspired by the traditional Sardinian handwoven textiles. It can be arranged in a living room with other pieces from the same collection featuring different patterns for a stunning look.
