TERRA SCIALLE CUBE

\$1,750

DESCRIPTION

This functional cube is part of the Terra series designed by Ineloveritas that merge design with tradition to create pieces that bring a stylish and versatile accent into any interior. Crafted entirely of wood, the surface of this cube has a printed black-and-white design that re-elaborates in a contemporary key the patterns of the Sardinian handwoven tradition. Displayed as a decorative accent or side table in a living room, bedroom or entryway, this piece will offer a functional solution that will stand out in any decor.
