## TERRA LARGE YELLOW VASE

\$435

### DESCRIPTION

Inspired by Sicilian crafting traditions, especially the age-old artistic pottery tradition, this yellow vase reinterprets classic designs with a minimalist and purist aesthetic that incorporates the rich colors of this stunning island. Part of the Terra collection, this piece was made by local artisans in Sicily and boasts the marks and small imperfections of hand-craftsmanship. The striking thickness of this cylindrical piece adds to its organic quality.
