TERRACOTTA #4 VASE BY MASCIA MECCANI

\$2,350

## DESCRIPTION

Evoking the gentle sense of movement of algae underwater, this vase is a one-of-a-kind masterpiece designed by Mascia Meccani in 2019. It is crafted of red terracotta and painted by hand with a tapered body that combines a color-block decoration and two different textures, while the top is a flurry of waves reminiscent of the softness of the fabric.
