TERRAE BLACK BOWL

\$140

DESCRIPTION

Striking in its simplicity, this terracotta bowl will be a picturesque display for succulents, plants, or priceless trinkets in a foyer or kitchen table. The low design, complete with a wide rim and sturdy base, is hand shaped on a lathe using century-old techniques and finished with a weathered black glaze. The combination of colors and textures creates a unique visual effect that will enhance the elegance and artistry of any surface or room.
