SET OF 2 TESTA DI MORO BLUE VASE

\$155

DESCRIPTION

This stunning vase is part of a series that follows the meticulous manufacture methods of the Sicilian town of Caltagirone and depicts a male bust. Crafted of ceramic, this piece was shaped on a lathe and first fired at 980°-1050° for 10-12 hours, dried at room temperature and then enameled by hand. Marked by a cobalt blue tone, this piece will perfectly suit both a modern or classic decor.
