TESTE DI PALADINO SET OF 2 CUTTING BOARDS BY GABRIELE E. M. D'ANGELO

\$120

DESCRIPTION

A stunningly modern interpretation of the century-old Sicilian marionette tradition, this set of two cutting board features the head of Orlando and Angelica, two protagonists of chivalry poems of Medieval times that were used as material for the "pupi" theatrical representations. Both made of solid beechwood, the board as inlaid using laser and finished by hand with simple lines that mark the facial features. The measurements are: for the man 18.5 x 2 x H38 cm, for the woman 25 x 2 x H38.5 cm
