## TEXTURED VASE IN GOLD LEAF

\$230

### DESCRIPTION

This vase will add a touch of luxury and sophistication to any home. Its method of crafting is very unique and it involves several steps. First, the structure is crafted in polyurethane using an extrusion process; then the piece is finished with stucco, giving it a superb textures surface. Finally the piece is gilded by hand in pure gold leaf, before being given a final coating in a transparent resin epoxy. This exquisite piece can stand alone or be placed among others from this collection for a striking effect.
