## THE 90S PILL SET OF 6 SCULPTURES

\$14,495

### DESCRIPTION

This extraordinary set comprises all of six sculptures from The Pill Collection, a series of unique pieces that pays tribute to the '90s evoking the artist's personal memories. Ironic and sophisticated, the six sculptures are made with original cars and other vehicles' recycled elements, creating singular objets d'art that will capture the attention of anyone in the room.
