THE COPPER TUBE CHANDELIER

\$15,370

DESCRIPTION

Harmony and opulence are the main features of this stunning chandelier that will cast an alluring light in any interior. A cluster of twenty satin-finished copper tubes extends from a central brass column at different heights, giving this modern chandelier a bold, sculptural presence. A great accent in any living room or large dining room, this is a must-have addition to any vintage or industrial decor. Concealed wiring and dimmable LED lights complete the piece.
