THE POGGIBONSI GREEN FLOOR LAMP

\$5,280

DESCRIPTION

With substantial proportions with a delicate shade, this floor lamp has an allure that will bring glamour to any surroundings. Made of brass-plated steel and inspired by the Italian design of the early 1930s, four parallel tubular rods are supported by a square resting on a circular base with four L-shaped feet. The eye-catching circular lampshade has a closed design with a vibrant green faux vellum border and a globe-shaped accent on top. Available also in nickel-plated steel.
