THE POGGIBONSI TABLE LAMP

\$5,120

DESCRIPTION

The splendor of the Italian design of the early 1930s has been reinterpreted in a modern way with this stylish table lamp. Entirely crafted of brass-plated steel, with a circular base supported by four L-shaped feet, a structure made of a square with four rods holds a unique circular lampshade, accented with a spherical top and a deep yellow faux vellum border. Paired with a twin on a console or a mantle, this vibrant and elegant piece will bring glamour to any interior. Available also in nickel-plated steel.
