## DESCRIPTION

Part of an exclusive collection available only on Artemest.com, this exquisite charger was designed by Ippolita Rostagno, co-founder of Artemest and renowned jewelry designer. Crafted of fine porcelain, this stunning piece combines traditional luxury and poetry, making a statement in any interior. The plate is dominated by a vivid pink hue with floral patterns and a central decorative motif in pure gold. This delicate design inspired by Richard Ginori's elegant tradition features a quote from English poet William Blake, making it a playful addition to a lavish table.
