THE ROAD TO HEAVEN IS PAVED WITH EXCESS WHITE CHARGER

\$110

DESCRIPTION

A stunning piece that will enrich any table, this porcelain charger is part of a collection inspired by English poet William Blake "The Road to Heaven Is Paved with Excess." Part of this quote is handwritten on the surface adorned with a delicate decoration in black and white with details in pure gold, mixing classically inspired patterns and floral motifs. Created by Ippolita Rostagno, renowned jewelry designer and co-founder Artemest, this series is available exclusively on [Artemest.com](https://www.artemest.com). It can be combined with the other pieces in the same series for a superb visual effect in any interior.
