## THE VILLAGE - ASSEMBLY COLLECTIVE SCULPTURE BY YABU PUSHERLBERG

\$715

### DESCRIPTION

The lockdown people experienced in 2020 led them to reflect on the deep, intimate sense of having a place to call home and on the importance of social relationships. Crafted from prized Crema D'Orcia stone, this one-off sculpture shaped like a contemporary building boasts a rigorous architecture tempered by smooth curves, romantically reminiscent of open arms ready for an embrace. The piece belongs to The Village Collection.
