LIGHTING : SCONCES & WALL LAMPS

Villari Home Couture

THE WALL 2-LIGHT GRAY SCNCE

\$1,175

DESCRIPTION

Essential in shape as it is captivating in its naturalistic inspiration, this sconce satisfies both a functional and a decorative need with its two light sources radiating through a gray-hued porcelain body recalling a textured wall. Also offered in variants featuring the addition of golden or silvery plates, it makes for an ideal lighting solution to flank paintings or provide warm ambient light if arranged with twins.
