LIGHTING : SCONCES & WALL LAMPS

Villari Home Couture

THE WALL SCONCE

\$1,405

DESCRIPTION

This sconce is part of the Home Couture Collection, and serves as elegant source of light, while also being a splendid jewel for a wall. Its sculptural structure combines curved glass elements that alternate smooth and grooved textures for a dynamic effect, while the brass structure becomes visible at the center with a magnificent hammered plate in metal with a brass finish.
