TIFFANY SIDE TABLE

\$5,230

DESCRIPTION

Marked by a classic silhouette enriched with modern details, this simple yet refined coffee table will offer an elegant and functional surface for books, lamps or flower arrangements. This discreet design is crafted of wood with a glossy, ebonized finish, a round top, and a column leg raised on a tiered circular base. The bronzed-finish metal details around the edges of the entire piece give a modern appeal to this side table that will infuse style in any interior.
