TILE ALABASTER AND BRONZE RECTANGULAR SCONCE

\$2,195

DESCRIPTION

A truly stunning combination of contemporary lighting design and classic Italian stone craftsmanship, this splendid Tile Sconce is a distinctive piece for any contemporary or traditional interior. The sconce features an elegant vertical rectangle in alabaster with a sleek perpendicular bronze strip as a central bracket. The stone's exquisite allure is enhanced by the warm LED lights, creating an impressive contrast between the alabaster's pure crystalline translucence and its natural dark veins.
