## TILES AZURE 2-DOOR TALL CABINET

\$8,280

### DESCRIPTION

Boasting a refined azure color with white computerized engravings in a pattern that evokes the vintage tiles of old manors, this aesthetically balanced cabinet will be a colorful addition to any modern interior. The wooden frame in a two-color lacquered finish showcases two hinged doors with push-pull openings and an innovative 45° cut that allows the decoration to remain seamless. The steel base is lacquered to match the top. Pictured with a single drawer in the center and two wood shelves, the interior can be customized with three glass shelves, ask the Concierge for details.
