TIMBUKTU RUG

\$6,520

DESCRIPTION

This striking carpet was made by hand using cotton and its texture is flat weave. Natural dyes add a delicate touch of pale blue-grey color to its surface and a simple decoration of elongated triangles marks the center of the piece designed by Barbara Frua De Angeli. Exuding minimal sophistication this piece will be ideal in a living room but also a bedroom or even a child's room. Its ethereal color and its elegant trim can also make a statement in an entryway.
