DESCRIPTION

This chandelier is the epitome of elegance and sophistication. The opaque white polished ceramic was expertly crafted entirely by the hands of master ceramicists. A luxury experience will be provided by the illumination of the lights on each of the 8 skyward curving sinuous arms. This striking statement piece is also available in other colors such as polished white, gold, platinum, black, blue, grey anthracite, and antique ivory. Colors can also be personalized by the customer to ensure the perfect color for any interior.
