TIP TOP TALL TRAY BY RICHARD HUTTEN

\$305

DESCRIPTION

Modern and sophisticated, this tray is part of the Tip Top Collection and boasts a rigorous geometric silhouette crafted of brass with a striking rose gold finish. The hexagonal base and rim are connected by six flared sides made up of three parallel rows of triangles of the same shape. The effect is exquisite and functional, preventing the content from falling out, while also infusing any room in the house with a stunning accent.
