TOKYO LARGE BROWN BACKPACK

\$460

DESCRIPTION

Exquisitely distinguished for its light and clean design, this stunning backpack is fashioned of soft, high-quality leather in a cognac-brown color. Combining elegance and functionality, it features two handles and a zippered front pocket, while the back is conveniently covered with antiperspirant fabric, making it ideal for travelling. The capacious interior is composed of two separate zippered compartments with a zip back pocket, an open sleeve for files, a smartphone slot, and a large sleeve for a tablet.
