TONDO COFFEE TABLE BY DAVIDE AQUINI

\$1,440

DESCRIPTION

Distinguished by a minimalist and timeless flair, this side table by Davide Aquini will complement an industrial-inspired decor with subtle sophistication. This piece rests atop a three-leg structure made of reinforced steel and finished with an iron black lacquer. The solid walnut top and 1/3 of its surface are fashioned using a special technique that creates some concave gaps to hold pens or small objects. Three different measures are available, as well as other finishes and materials upon request.
