TOO OBLONG BLACK/GREEN TRAY

\$775

### DESCRIPTION

This artful footed tray exemplifies glamorous designs fully committed to ecological matters. Playing with curves and sleek volumes, it features a poplar blockboard frame hand-painted in black using a water-based product, paired to an inner bottom covered with a grooved mat obtained from green-hued recycled paper. Please inquire with the Concierge about the wide range of customizations and pricing of the extra UL certificate for contract spaces.
