### TOOBO BLACK/GRAY SIDE TABLE

\$3,525

#### DESCRIPTION

Playfully reminiscent of the design also marking the Toobo mirrors, this side table will make for an artful addition to any contemporary home. The structure also comprising four cylindrical legs is crafted of poplar blockboard, hand-lacquered in black using water-based paint, and is combined to an asymmetrical tabletop incorporating recycled paper mache that surprises with its singular tactile feel. Please contact the Concierge for pricing of UL certification and customizations.
