TOPKAPI II SET OF 2 DESSERT PORCELAIN PLATES

\$135

DESCRIPTION

A stunning and refined addition to both a classic and a contemporary home, this set of two porcelain dessert plates will add a unique decorative accent to any occasion. Either used to serve small refreshments during tea or, combined with others in the same series, to offer after-dinner sweets, this set will imbue any home with charm. The scene, rendered in exquisite and naturalistic details, depicts a detail of the Topkapi palace's gardens, framed by a gate, to recreate the mysterious and elegant ambiance of the Ottoman Empire.
