TORCELLO 8 BOTTLE

\$160

DESCRIPTION

The striking red hue of this mouth-blown glass bottle will make a statement on any occasion, giving an eye-catching accent to a table or living room. Part of the Torcello collection made of colorful sets of stem glasses and flutes, this bottle can complement the other sets of the same series or be used with transparent pieces from the same designer. The amphora-like shape of this bottle, with its classically inspired silhouette is topped with a transparent stopper to safely store and serve any kind of drinks. The bottom part of the piece is adorned with a striking flower-like decoration engraved on its surface with a pantograph.
