## TORSÈ BALTICO LOW CARAFE

\$170

### DESCRIPTION

This low carafe is a stunning example of balance between traditional craftsmanship and contemporary sensibility. The minimalist shape is elegant and timeless and is accented by a modern interpretation of a classic Venetian texture, with curved parallel grooves that create gentle waves on the blue color of the surface with a twisted-like pattern. A stunning object of contemporary decor that can be used as a low vase, this piece will make a sophisticated statement in any home.
