TORTUGA BOWL

\$580

DESCRIPTION

Part of the Tortuga collection, featuring striking ceramic pieces of home decor with a unique texture reminiscent of the skin of a turtle, this piece can be an exquisite centerpiece on a dining table or a bowl in an entryway to hold everyday trinkets. The enamel-finished ceramics has a sophisticated glossy silver color outside, while the inside is opaque. An elegant complement to a modern decor, this bowl can be paired with other items from the same series. Its colors and decorative patterns can be customized. Please consult the concierge.
