### TOSCANO CLUTCH BLACK EMBOSSED CROC

\$760

#### DESCRIPTION

Slim and sleek, this clutch will be a timeless essential in any wardrobe and cherished for generations to come. Crafted from embossed vegetable-tanned leather with rich damask gold lining from Rubelli. Thoughtfully-placed elastics on the inside secure credit cards, cash, or lipstick. Each piece is handcrafted in Tuscany, but the name "Toscano" is also a nod to the origin of the shape: inspired by a vintage cigar case, this bag has been named after the popular brand of Italian cigars.
