TOTEM MONKEY BOX WITH LID AND MONKEY KNOB

\$430

DESCRIPTION

Evoking the elegance of 18th century stately homes adorned with nature-inspired pattern and symbolic animals as main subjects, this box with lid is a superb decorative and functional piece. It was entirely made of porcelain and its round sides are adorned in green, with an eye-catching geometric pattern and a purple top frame. The lid features a green background decorated with large yellow leaves and boasts a monkey-shaped handle finished in gold. This eclectic piece can be combined with others in the same Totem collection and displayed in any room in the house.
