GINORI 1735

TOTEM MONKEY TRUNCATED CONE-SHAPED VASE

\$565

DESCRIPTION

This stunning porcelain vase is part of the Totem Collection, whose eclectic design and vivid colors are inspired by nature in the style of 18th century opulent home decoration. In this piece, the truncated cone-shaped vase is adorned with a green base topped with an elaborate, cardinal-red frame above which is the main scene, featuring a series of elegant monkeys leaping from branch to branch in a stylized jungle of large yellow leaves. This visually impressive piece can be used as a vessel for a floral composition or can be displayed as a striking decorative accent in any room in the house.
