TOUKE SET OF THREE LIMOGES PORCELAIN DISHES

\$260

DESCRIPTION

This magnificent set consists of three dishes (one dinner plate, one soup plate, and one dessert plate) entirely designed and crafted in Italy using the finest quality Limoges porcelain. The decorations depict the branch of an exotic tree with a colorful toucan with the body of a snake perching on it. The plates are gold trimmed by hand to create luxurious pieces that are also suitable for regular use thanks to the indelible, non-toxic and dishwasher safe decorations.
