## TOURMALINE AND GOLD CHOCKER WITH PENDANT

\$4,950

### DESCRIPTION

A mesmerizing mosaic of green tourmalines adorns the choker of this stunning necklace that was entirely handcrafted. The structure and mounting are in 18-carat yellow gold, while the total weight of the precious stones is 44.75 carats. The effect produced by the combination of the different sizes and shapes of these colorful accents is elegant and dynamic and will enliven any wardrobe choice.
