TRAMA GOLD PLATE

\$160

DESCRIPTION

Part of the Trama collection, this refined plate embodies innovative techniques and modern design aesthetic to produce a functional work of art. The sleek silhouette, achieved with mouth-blowing gold-colored glass, features a silver-plated exterior and a glossy rim. The soft striations in the glass are the result of special wooden brush and a triple-firing technique. The distinctive look and textural quality is due to the original blend of glass and metal endemic of Dogale's works.
