TRAMA PLATINUM AND DIAMOND RING

\$4,730

DESCRIPTION

Part of the Trama collection, named after the Italian word for weave, hinting at the superb texture of its pieces, this ring creates a unique interplay between shadows and lights in an ideal harmony of volumes. The structure in platinum is adorned with a diamond frame that evokes Byzantine motifs and ancient Mediterranean art. Timeless and sophisticated, this exquisite piece of jewelry will be an eye-catching addition to any special occasion. The piece is designed by Beatrice Baraldi.
