TRAMA WHITE/PINK GOLD AND DIAMOND RING

\$3,730

DESCRIPTION

A stunning jewel that boasts character and sophistication, this ring is designed by Beatrice Baraldi and is part of the Trama collection. Named after the word for weave in Italian, this series features exquisite pieces in which dynamic textures and an elegant harmony between contrasting elements and finishes creates a mosaic of timeless patterns. This ring is inspired by the luxurious elegance of Byzantine art and features a band of woven pink gold punctuated with diamond inserts mounted in white gold.
