## TRAME 2-DOOR CABINET

\$6,660

### DESCRIPTION

This sophisticated statement cabinet combines the warmth of walnut with minimalist lines and vintage-inspired motifs, revealing an exceptional multi-purpose wall unit that can be displayed in a modern entryway, living room, or office decor. Combining functionality with elegance, the piece is defined by a captivating geometric pattern evoking floor tiles of old manors on the front panels of the two doors that open to an internal storage completely free of shelves. Four straight legs, raised at a 27 cm-height, support this exquisite piece that will elevate the style of any interior decor.
