TRANSITORIO CANDLE HOLDER

\$370

DESCRIPTION

Named after the transient light of candles, this stunning four-candle holder is a superb addition to a contemporary interior, where it will add a unique ambiance to a bedroom or study, or be used as exquisite decoration in an entryway or bookcase. \nIts base was crafted of San Marino stone, punctuated with holes in which to insert the four candle holders in iron, each with a different height, to create endless decorative possibilities.
