TRATTO SILVER MAXI VASE BY PAOLA NAVONE

\$340

DESCRIPTION

Designed by Paola Navone, this elegant vase is a modern and sophisticated object to display as is or with flowers to enliven a contemporary entryway or modern living room. It was made of mouth-blown transparent glass with silver parallel lines hand-applied with the silk-screen method. It can be paired with the Punto Maxi Silver Vase, for a dynamic combination of lines and dots.
